Ah... It's nothing.
Thank you very much, Kousuke-san,
for bringing me dinner.
For a pretty bride's sake it's just an honor for me.
No matter how many times I've attended matrimonial services, I still think a wedding is a wonderful thing.
I want to be like Kairi-kun. I want a bride, too.

But travel-banned to all destination...
I really want to escort you around our country.
I think Shou is really cruel to you.
Oh~ by the way,

Uhm...
Thank you for what you did when we were still in Japan.
Huh?
For visiting my Auntie at the hospital...
Eh...?
I don't remember doing it.
A hospital visit...? What are you talking about?
Oh... maybe it was the Secretary?
Ah...!
...hmm?
Uncle.

Oh, really?
This isolation supposed to mean nobody's allowed to enter.
Please leave.
Okay, okay.
This disturbing man will go away.

This isolation means nobody's allowed around here.

...WHEN HE DOESN'T EVEN LOVE ME?

He really installed a lot of guards around this area.
What's going on?
Hey...
We've got some information about Kain's assassination attempt.
Perhaps there is a leading figure who wants to block Shou's way to the throne.
Because it seems that our authority is fading away.

Then why are they still standing around here...? They should scatter to guard all places immediately.
The palace is secure enough right now.
And brother, aren't you supposed to do something about it?
That boy is already capable to manage this far.
You are as cold as usual.

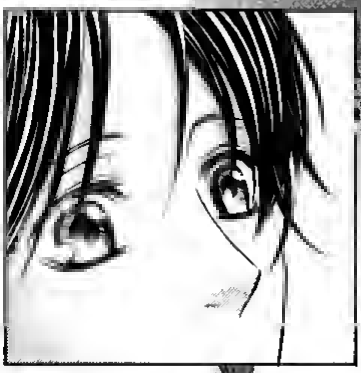
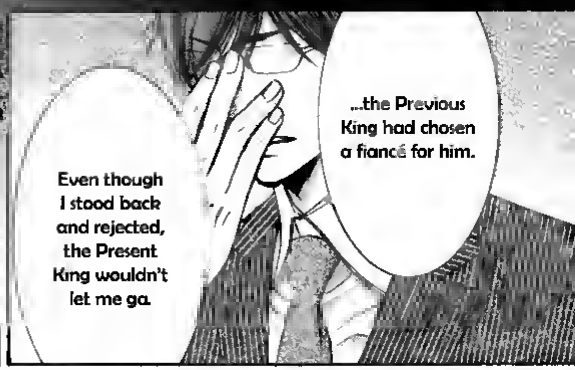
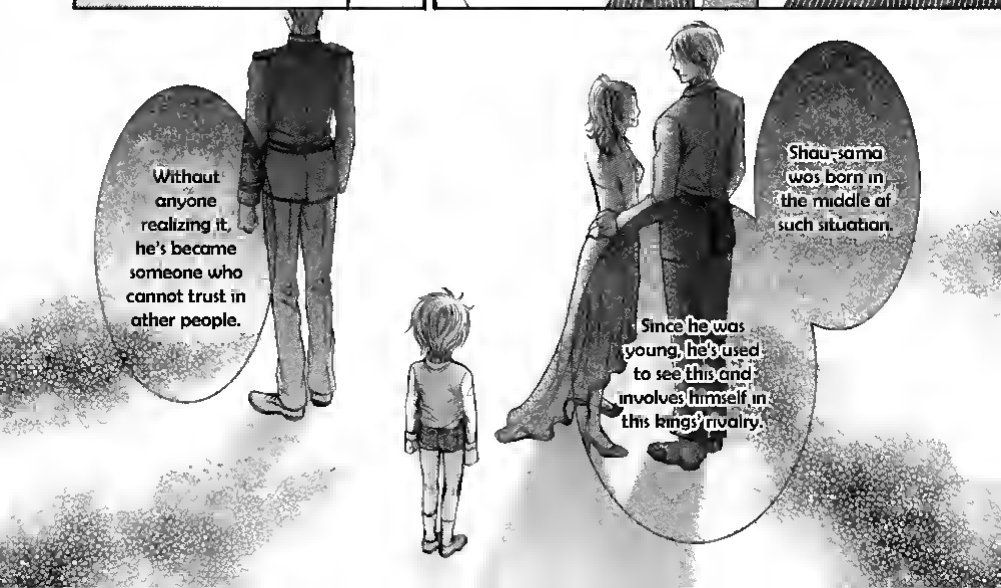
T/N: Previous King is the King before the Present King, which means Shou's grandfather.

Shou-sama's father, before he became the Present King...
...it's the old custom, and there are times when it invites unhappiness.
"To become the King, the Crown Prince must marry the bride chosen by the Previous King"...







Without anyone realizing it, he's became someone who cannot trust in other people.
Shou-sama was born in the middle of such situation.
Since he was young, he's used to see this and involves himself in this kings' rivalry.

I SHOULDN'T HAVE BEEN SEPARATED FROM HIM!
EVEN THOUGH HE HAD TOLD ME TO DO THAT
I AM REALLY USELESS AFTER ALL...
ALL I DO IS STAND IN HIS WAY!

KAIRI...!!

Is it the legendary tree...?
I can't believe this really exists.
This tree...
A light?!

Have you been hurt?
Just wait, the medical team will be here soon...
HIS HAND IS HOT
AND SWEAT-ING ..

Kai...

I have decided...
until you can find someone you love,
until you can find true happiness,
YOU HAVE WORRIED ABOUT ME
YOU HAVE BEEN DESPERATELY SEARCHING FOR ME
EVEN IF IT'S THE ONLY REASON.. I CAN
until that time comes, I will always stay by your side...

I...
have... made an irreparable mistake.
And when I realized it... I already made you unhappy because of my ego.
I can't send you away anymore.
But while you are gone, I finally admitted my own foolishness.

Something that I don't want to lose more than anything
is only you... Kairi.
...Shou...?

HE WAS SO FAR AWAY...
GLOWING...
No matter what may happens
Kairi, I will continue loving you forever.
Let's make an oath under this legendary tree.
If you are gone...
I cannot be happy.

Can I stay by your side... always?
...Kain...
WHY HAVEN'T I REALIZED BEFORE... THAT THIS IS LOVE?
I'm in love...
with you.

In good times,
in bad times;
in sickness
and in health,
I promise to be
true to you...
...and I will love you for
all the days of my life.

Hmm?

Err...?
What happened to the house-keeping job?
Is it possible that the person is. .?
Ah!
That reminds me, when I was in Japan I had been talking to someone who looks like that.
"I was coincidentally passing by."
That old man was also the one who offered me the house-keeping job.
Ack.....!

Let's go and greet the Previous King

はじめましてこんにちは、佳門サエコと申します。
この度は「ロイヤル・フィアンセ―黒の王子―」をお手に取って下さりありがとうございました！

原作からのマンガ化、ロイヤルの世界、初めてづくしなうえ、どれだけ原作のイメージを崩さずに読者さんにお届けできるか不安でいっぱいでしたが、いつのまにか描くのが楽しくてたまらなくなっておりました。
王族とはいえまだ若さが残る礫と、まっすぐすぎて逆に誤解を受けてしまう海里。とにかくキラキラな王子様を描く楽しさったらありません。海里も不幸な身の上ながら、私はウキウキと描かせて頂きました。
これからの二人は、実家の日本の寮に二人で帰ってみたり、学校に凱旋してみたり、寮の部屋でいちゃいちゃしたり、新婚旅行してみたり、お忍びで観光してみたり…妄想が膨らみます。とにかくラブラブで幸せなはず！

しかし秘書官さんと王様との恋も気になりますね！　礫の兄、汐梨さんの恋は、あすま先生がノベルズで書いて下さっておりますよ！　礫と海里ももちろん登場しています。そちらのほうも併せて是非！
素敵な二人に出会い描かせて下さったあすま先生、編集部の方々、いつも手伝って下さるアシスタントさん達、そしていつも応援し励まして下さった読者さまに心から感謝します。本当にありがとうございました！
またお会いできることを祈って。
